AUTHOR'S / SPONSOR'S STATEMENT OF INTENT

Currently, "Blue Placard Only" signs allow parking for those persons with a severe degree of ambulatory handicap who have a corresponding parking placard. Persons with a disabled veterans license plate are permitted to park in spaces designated by a white on blue placard. If an individual with a disabled veteran license plate wishes to park on a designate "Blue Placard Only" space, he or she must apply and pay for a blue placard.

S.B. 251 allows for disabled veterans to park in any spot reserved for disabled persons if they have a state-issued disabled veteran license plate.
